

Mrs. Orcutt

Hello! I am the 2nd Grade Teacher.

I love to teach second grade! This is my 26th year in teaching. My favorite subject to teach is science. We have so much fun doing exciting experiments in the classroom. In my spare time I like to watch movies or read a good book. My husband's name is Patrick. I have some great kids—Ethan, Carson, Farren, and her husband, Jason. I also have three pretty cool grandkids—Cale, Grayson, and Hadley.

Fun Facts about Me 😊

- 1. I attended Loomis Public School from Kindergarten through 12th grade.
- 2. I was a member of the last class to graduate from Kearney State College before it's name changed to UNK.
- 3. My first teaching job was at Orleans Public School. I was the fifth grade teacher there for four years.
- 4. Diet Coke is my favorite drink. I even dressed up like a Diet Coke one year for Halloween!
- 5. I have two cats named Kitty and Nyla that think they are princesses. →

My Mission Statement

My mission is to give my students the tools to reach their full potential by teaching with enthusiasm, creativity, and hands-on experiences. I will also work to empower students to become great citizens by providing learning opportunities for them to sustain this goal in their communities.
