

MEET YOUR TEACHER

THE BASICS

Hello my name is Jackie Johnson and I am the K-6th Special Education teacher here in Loomis. When I am not teaching, I work side by side with my husband on the farm. We have three children: Johnny (12), Jaelyn (8), and Jameson (8). As a family we enjoy the golfing, going to the lake, and gardening.

MY FAVORITES

Book: Steak
Color: Gold
Season: Fall
Sport: Baseball and Football
College Team: Nebraska
Hobbies: Golf
Food: Appetizers
Drink: Dt. Coke
Snack: Chex Mix
Dessert: Cheesecake
Candy: Heath Bar
Flower: Lilies

MY BACKGROUND

Interesting fact: I've been at Loomis School for 28 years. 13 of those years I was a student and 15 as the Elementary Special Education Teacher. My love for teaching actually started here in this VERY school. As a high school student, I spent a couple of years mentoring 2nd and 3rd grade in PE and fell in love with teaching.

I received my bachelors degree from Doane College in 2007 with a major in Elementary Education and K-12 Special Education. In 2016 I got my Masters in the area of Curriculum and Instruction.

As an educator my ultimate goal is to prepare each individual to reach their full intellectual level, to create an environment that is inclusive, multicultural, and reflects the community. I want all students to build respect and value themselves and others who in the end become lifelong learners. I want to continue being the teacher who motivates, inspires, supports, and encourages all students. i will make teaching safe, secure, and a loving environment.
