

MEET THE TEACHER: Mrs. Schukar

Timeline to teaching...

I graduated high school from Loomis with the Class of 2000! Go Big Green!

I received my Bachelor's in Elementary Education from UN-Lincoln [2004] & a Master's from Peru State College [2008].

Teaching jobs @ Lexington Middle School, & Sandoz Elementary: Kindergarten & 3rd [2005-2010]

I took a short hiatus from teaching to stay home with our kiddos (2010-2015).

2015 back to teaching... and back to LOOMIS!!!

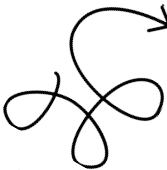

I am married to Scott & we have four children... Jace (12), Jaron (10), Asher (8), & Ansley (4). Scott works for Farmers Mutual Insurance & spends his free time of fidgeting football/basketball, coaching our boys, or wishing he was sitting in a duck blind. The boys love sports & all things "outdoors". Ansley has added just the right amount of pink to our crew & loves all things dance, gymnastics, glitter, & sprinkles. We live north of Loomis with our two dogs in a 100+ year-old farmhouse that is a never-ending DIY project. We love our space in the country, the view, & calling Loomis home!

My love for teaching actually started in this VERY school! As a high school student I spent a couple of years mentoring in 3rd grade & fell in love with teaching. I attended the University of NE-Lincoln & earned my BS in Elementary Education & later a MS in Curriculum & Instruction. Fast forward 20 years & here I am! I am looking forward to a new adventure here in Loomis (Title I: Reading) & can't wait to see how I can support the Loomis K-6 teachers & students in my new role.
