

## **News from the Superintendents Desk,**

As you have heard, and probably guessed, the remainder of the school year will be taught through packets, and e-learning opportunities. NSAA has cancelled all activities for the remainder of the year and many summer organizations have postponed their activities. Just a reminder, that although the school is closed, we are still conducting learning activities. We are still in session and expect our students to complete the assignments, follow training rules, and continue to progress. Coaches will be contacting students in regards to summer camps and weight training. The seniors last day of assignments will be Friday, May 1<sup>st</sup>, with the remaining school still operating until Wednesday, May 20<sup>th</sup>.

On May 9<sup>th</sup> Loomis Public School will host a photo-op for graduating seniors. I will email the schedule for the day's activities. We are in hopes we will be able to participate in a full graduation on Saturday August 1<sup>st</sup> at 10:00 am.

Loomis Public School has hired several new teachers for the upcoming school year; Lindsey Palmer will be the new 3<sup>rd</sup> grade teacher. Kim Schukar will take over the Title 1 reading program vacated by Carol Samuelson. Shelby Anderson will replace Stacia Fertig as our 5<sup>th</sup> grade teacher Shelby's husband, Clinton Anderson, will replace Nina Straatmann in our science department. Shennon Helms and Ashley Stutzman will replace Jeanette Marcy in our Spanish and English courses. Please extend a warm Loomis welcome to our new staff members.

A "Reverse Parade" is being scheduled for our students and staff on Thursday May 7<sup>th</sup> from 6:00-7:00 pm. Please stay tuned to our social media pages for more details.

Lastly, I would like to extend a "huge" thank you to all who are working to make this crazy year a successful year. Parents, you are doing an awesome job keeping up with the demands of school and you are to be commended for your efforts. Our staff has remained positive in light of all the obstacles they have had to overcome to continue the learning process. As we traverse into the unknown portion of summer I would like to encourage everyone to stay positive and together we will prevail.

Sam Dunn  
Superintendent  
Loomis Public Schools
