- 10-28 Volleyball Subdistricts - TBD
- 10-28 No School, MTSS/Professional Development
- 10-29 Volleyball Subdistricts - TBD

## Straight from the Wolf's Den

Nate Weaver

October is here! It is an exciting time of the year for our students. Fall activities are nearing the end and post season is right around the corner. With that, I have a couple of reminders.

With the weather changing, and becoming cooler, we ask that you please dress your student in appropriate clothing. We ask that they have a jacket, and if the weather is cold, that they wear pants instead of shorts. We want the students to be able to go outside for fresh air and play as much as possible. The sickness is here. Nothing specific, but it seems that students are coming down with many different illnesses.

Reflecting on September, I want to send a shout out to the LPS staff. They went above and beyond to assist our students with Homecoming week. While this may not be the staff's favorite week, it was definitely an awesome week for the students. From hallway decorating, to dress up days and then capped off with a small parade and an outdoor pep-rally. The school spirit and support from the community was nothing short of amazing. We plan to add a little bit to the parade every year and hopefully make it into a tradition. If you see a staff member, please thank them for all they do for our students. Their efforts are a wonderful attribute to this school.

On September 25th, the Phelps Co. Safe Communities Coalition organized an assembly at the Tassel in Holdrege for all Phelps Co. students from Holdrege, Bertrand and Loomis. The speaker was Coach Potter. He spoke about the pressures of being a student, mental health and taking the right steps when help is needed. This was a wonderful presentation for all involved and I feel fortunate that we have organizations that are willing to organize important subjects like this. Mental health among the staff and students has been an emphasis for LPS. We currently have a mental health practitioner in the building 2 days a week. We are fortunate to provide this service to our students.

September was a busy month. We were able to get all the students in the building MAPS tested and tested in Fast-bridge. Both are tests that we use to monitor needs in academic areas. The results drive our process of supplying students with interventions to improve in the needed areas. We have a fantastic team that meets to discuss and tier the students with the staff. This is the MTSS – Multi-tiered system of supports. The process is time consuming, but is always geared to do what is best for the LPS students.

October looks to be jam packed for activities. Our Cross-Country team continues to improve. The Volleyball team has been playing well and the Football team has competed well. I am always impressed at how well the students juggle both academics and activities! Best of luck to them this month! It's always a great day to be a WOLF!

# **The Head Honcho's Highlight Reel**

**Jeff Ellsworth**

Happy Halloween! Well, almost! Thank you to all of you that could make it to Parent/Teacher Conferences last week. It is always a crazy week as it is a short week and we still have activities to work around. We appreciate all of your support for all of our events all year long. Loomis has always had great supporters of all activities and programs. A big THANK YOU to all of you.

## **Street Crossings**

With harvest underway and more trucks on the roads, please beware of students and any other pedestrians walking before and after school. We are working to get our crosswalks repainted so they are more visible, but please, just be cautious.

## **Games/Activities**

We would like to ask you to please be aware of where your students are during activities. We would like them to be in the stands with you during the game that you are attending. We have asked the students to be in the gym or the cafeteria when activities are in the building. If activities are outside, we would still like them to sit with you in the stands. However, as long as they are not playing football, tossing balls around, or rough-housing during the game they can be in the end zone and scattered around the concessions, etc. So far things have gone well. We have about four weeks until sub-districts, districts, and hopefully State competitions start happening. Keep encouraging your athletes to believe in themselves and keep improving. Hard work pays off.

## **Testing**

The first round of school-wide testing wrapped up last week. I would like to give a big shout out to our teachers, paras, Title I and Math Interventionist, SPED teachers and everyone else that had a hand in helping students to find success in their testing. Parents also make a big impact as they encourage their students to do their best! So thank you to all of you!

## **Cooks & Custodians**

I would like to recognize our cooks and custodians for the "Thankless" jobs they do for us. I have been in education for 31 years. The food at Loomis is hands down the best food I have ever had in any school district. We are very lucky to have Silver and her crew. They do an outstanding job of preparing our food.

Our custodians do a great job of keeping our facilities looking great, too! From the football field to the gyms, and the classrooms to the hallways, they deserve a lot of credit! Thank you to all of you!

## **Contact Info**

If you have any questions or concerns, please do not hesitate to call me. I can be reached (308) 876-2111, here at school, or by email, [jeff.ellsworth@loomiswolves.org](mailto:jeff.ellsworth@loomiswolves.org).

As we dive into October, I am excited to announce several important events and initiatives for our school community.

**Red Ribbon Week: October 28th --November 1st**

We will be observing Red Ribbon Week from Oct. 28th to Nov. 1st, a time dedicated to promoting drug awareness and healthy choices among our students. Throughout the week, various activities will take place aimed at fostering a drug-free lifestyle.

**College Visits**

Seniors and Juniors are encouraged to be scheduling college visits to explore their options on which college is right for them. They are allowed two excused absences for these visits. This is a great opportunity to see campuses and learn more about potential futures!!

**Upcoming College Fair and Career Exploration Day**

We are thrilled to announce two key events that our upperclassmen will be attending. Our juniors and seniors will attend the Holdrege Area College Fair. This event will feature a variety of colleges and universities, giving students a chance to connect with admissions representatives, gather information about programs, and explore scholarship opportunities.

The sophomores will participate in the Connecting the Dots Career Exploration Day. This event is designed to expose students to various career paths and help them understand the skills and education needed for future success.

## 2024 Lady Wolves Volleyball

The Lady Wolves have kicked off their season with a great start! As of the end of September, the Reserves are 1-4, Junior Varsity is 6-1 and the Varsity is posting an impressive 12-5 record. This is the best start to the season the program has had in quite a few years. The girls have had some tough matches keeping the scores close, but making sure they push to make sure they are 2 points better than their opponents at the end of the match.

At our home 9/11 tournament, the girls went 2-1 on the day bringing home second place falling to C-2 Maxwell in the finals. The girls came out with an impressive win beating #2 ranked SEM in 2 sets at the Elm Creek Triangular in late September. October's schedule stays busy with a lot of tough matches on the calendar, but the girls are ready for the competition. The FKC tournament will be competitive as always and the Lady Wolves have big goals to push far into the bracket. Mark your calendars to join us for Parent's night on October 1st vs Arapahoe then our Pink Out matches Monday, October 7th vs Bertrand and Doniphan Trumbull. We will wrap up the season at home on Tuesday, October 22nd as we celebrate Senior Night on our final home dual vs Blue Hill.
