Welcome Spring! It won't be long and the daylight will be with us longer and the days will warm up. Congratulations to the Winter sports contestants, coaches and fans. Loomis, as always, was represented with class and respect. Thank you for your support of our students. I have had the opportunity to travel to many of our contests and watch our student athletes compete and our fans cheer. I have also been to contests that I have witnessed opposing schools and their student bodies. I must say we are blessed to have awesome students who support their school in a positive manner. As Spring rolls in and we begin to experience our extra-curricular contests, remember to stay classy and respectful. That's the Loomis way!

I have three new staff members for next fall to introduce to the community. Cassidy Synder will be our new 7-12 Science teacher. Cassidy is originally from Holdrege and has been teaching in Arapahoe. Hannah Gilg is our new 5th grade teacher. Hannah is originally from Cozad and has been teaching elementary in her hometown of Cozad. John Christensen is originally from Davenport, NE. John is finishing up his student teaching at Bennington and he will be our 6th grade teacher next fall. All new staff members are eager to start in August and be a part of our outstanding school. All three are interested in helping out in any extra-curricular area wherever they can.

Loomis School, as I have mentioned many times to my peers and potential staff, is a "hidden gem". We are so fortunate to have phenomenal teachers, and hardworking, high achieving students. Please help make our new hires feel welcome in our community and school.

Principal's Post-it Notes

Nate Weaver

March is right around the corner. I am hoping that temperatures start to climb and that we get rid of this white stuff on the ground. I love snow, but after having so much, it gets tedious having to move it. If you have been around the school, we are finding it hard to find a place for it. It is time for spring weather!

I would like to thank the patrons, alumni and fans that followed Loomis during the winter activities season. The number of supporters was impressive. This speaks volumes for the quality school support that this district continues to have! Our students do not understand how lucky they are to have such a supporting fan base. This also gives them an excellent experience.

We are gearing up for our 5- year external school improvement meeting in March. Schools in Nebraska are required to break down data, look at areas of strength and areas that need improvement. We have been working for the last 5 years to produce goals, strategies and data to support our process. Our improvement goal is reading comprehension. With reading comprehension, we have utilized chunking as our strategy to improve comprehension. It has not been easy for any school to go through this process. We had to endure Covid, a year with no state testing and then revamping of state testing the following year. We had to use the data that was consistent through the pandemic, which did limit the data to less. I am proud of our staff and students for making the best of what was dealt to us. We did show good gains throughout the process.

The Loomis juniors will be taking the state accountability test, the ACT on March 21st. The ACT offers a college admissions test, college course placement, and career planning components.

12 BENEFITS OF TAKING THE ACT

<p>THE ACT TEST IS ACCEPTED BY ALL MAJOR 4-YEAR UNIVERSITIES.</p> 	<p>IF YOU HAVE LOW HIGH SCHOOL GPA, YOU CAN MAKE UP FOR IT BY PASSING THE ACT.</p> 
<p>IF YOU FAIL, YOU CAN ALWAYS RETAKE THE ACT.</p> 	<p>YOU CAN EVALUATE YOUR CAPABILITIES AND WEAK POINTS THROUGH THE ACT.</p> 
<p>YOU'LL BE ABLE TO APPLY FOR SCHOLARSHIPS IF YOU GET A GOOD SCORE.</p> 	<p>IT CAN BE A GREAT ASSET FOR YOUR EMPLOYMENT.</p> 
<p>THERE'S A SCIENCE SECTION IN THE TEST.</p> 	<p>YOU JUST MIGHT GET IT RIGHT BY GUESSING.</p> 
<p>YOU CAN USE A CALCULATOR TO SOLVE MATH QUESTIONS.</p> 	<p>BY TAKING THE ACT, STUDENTS CAN SAVE TIME.</p> 
<p>YOU'LL ALWAYS HAVE SELECTIONS FOR CHOOSING THE CORRECT ANSWER.</p> 	<p>YOU'LL FEEL A SENSE OF ACCOMPLISHMENT AFTER TAKING THE ACT TEST.</p>

6 TIPS TO PASSING ACT WITH FLYING COLORS

<p>TAKE PRACTICE TESTS.</p> <p>The practice test score of the students would be their baseline. Students can use their baseline score to help them create a study plan based on what they need to work on. If you think you need to focus on math drills, build up your vocabulary and tame test day jitters – the ACT practice tests also familiarize students with the different sections and directions of the real ACT test so there would be no surprises.</p> 	<p>JOIN AN ACT PREP CLASS.</p> <p>If students find it hard to study on their Saturdays off, they might want to consider a class guided by an instructor who will hold them accountable. Test prep classes for the ACT test ranges from small group settings to larger classrooms coached by ACT test experts if students take a prep course via school. Find an environment that's best for you.</p> 
<p>PREPARE ONLINE.</p> <p>Super busy students may find it hard to schedule an ACT prep class between after-school jobs and their leisure time. However, online ACT test prep lets student prepare for ACT when and where it suits them best, skip ahead or repeat lessons. Online ACT test prep is best for self-starters who prefer to study at their own pace.</p> 	<p>GET A PRIVATE TUTOR.</p> <p>If you want a completely customized approach, you can consider preparing for the ACT test with a private tutor. Private tutoring sessions guarantee you will get immediate feedback as well as personalized lessons to your learning style and needs. For instance, if students have mastered sentence completion but need to work on Geometry, their tutor will adjust their ACT prep plan accordingly.</p> 
<p>GET GOOD ACT TEST PREP BOOKS.</p> <p>ACT test prep books are just like study guides. These will help students know what kind of questions to expect in the actual ACT test and will tell them which section they need the most help with – if any. The ACT test prep books also help students understand what kind of strategy or method they need to follow to score better on the real ACT test.</p> 	<p>RELAX AND REST BEFORE TEST DAY.</p> <p>On the day before the real ACT test, get plenty of rest and a good night sleep. Have a healthy breakfast before heading off to the test. Make sure you bring everything you need for the ACT test, such as pencils, calculator, and your ACT admission ticket. Even if you are a fast test taker, use up given time to your advantage.</p>

Lady Wolves Basketball

Coach Perry

The Lady Wolves had a tough season but ended on a good note. The girls ended with a record of 6-16, while the JV went 6-5. We closed out the season with a win at Brady. Jersie Hermanson led the way with 16 points and 12 rebounds. Zeigh Booe added 13 points and 9 rebounds. The girls fought really hard in the sub-district game against Axtell but came up short, 39-48. Jersie was high scorer with 16 points and a game high 10 rebounds. Zeigh and Carly Stewart each contributed 9 points. We will miss our seniors, Jersie Hermanson and Sadie Maloley. Thanks for all the hard work you have put in and the great example you have set for future Lady Wolves!

End of year stat leaders:

<u>Points per game</u>	<u>Rebounds per game</u>
Jersie Hermanson 10.3	Jersie Hermanson 6.5
Carly Stewart 5.7	Carly Stewart 5.9
Zeigh Booe 5.7	Zeigh Booe 4.0
<u>Assists per game</u>	<u>Steals per game</u>
Jersie Hermanson 0.8	Jersie Hermanson 3.0
Addison Perry 0.7	Zeigh Booe 2.5
Zeigh Booe 0.6	Addison Perry 1.8

Junior High Girls Basketball

The Junior High had a great season! The A team finished with a record of 7-2 and the B team went 3-4. The A team started off the season strong with a win against rival Bertrand, 33-4. Aspen Billeter led all scorers with 16 points and Natalie Kegley added 8. Next up was a win against Overton, 37-10. Aspen poured in 20 points while Sophia Schemper pitched in with 11. The girls kept it rolling with a win against Wilcox-Hildreth, 26-10. Aspen had a team high 18 points and Lauryn Blincow had 4. Up next was the Loomis L-Club tourney. The girls had a great first game, beating SEM, 47-8. The team was led by Aspen with 20 points and Sophia added 9. Then the girls faced a tough Alma team and lost, 27-47. We hung with them the first half but just couldn't put the whole game together. Leading the way was Aspen with 20 points. They followed that game up with a losing effort at Elm Creek, 39-43. Aspen was a spark offensively, going for 28 points while Jillian added 5 points. They got back on the winning track with a great defensive effort beating Axtell, 28-12. Leading scorer was Aspen with 18 while Sophia had 6. Up next was a big win against a very good Amherst team, 24-17. Sophia had 7 points and Aspen led the way with 11. The girls ended the season with a big win against Hi-Line, 55-15. Aspen was on fire torching the defense for 32 points while Jillian Ludeke added 8 points. Overall, I thought the girls improved throughout the season and came to practice every day ready to work!

C4 District Tournament

Mitchell was the host for this year's always TOUGH C4 District Tournament. Once again the district tournament proved to have the highest of highs and the crashing lows as dreams and seasons come to an end. If you love sports and haven't experienced a Saturday at a District Wrestling Tournament you should!

It wasn't about the team race for the Wolfkings but about looking to get a handful of wrestlers to punch their ticket to Omaha and qualify for the State Tournament. The pressure and suspense started on Friday afternoon for the Wolfking wrestlers, coaches, and followers as wrestlers faced some must win quarterfinals matches in their pursuit of a top 4 finish earning that State qualification. The first of these came at 113 lbs where Tyson Freeman was in a 4-5 seed match with Williams of Valentine. With 3 of the top 4 rated guys in the state in the C4 District the winner of this match had a path to the medal rounds whereas the loser would end up having to look to upset one of those top 3 in the heartbreak round to get in. Tyson got out to an early lead but Williams controlled the second and early part of the third period to close the gap to 4-2 with just over 1 minute remaining. An escape for Freeman led to a tense takedown scramble in which Tyson was able to avoid getting chin whipped to his back and power through for the takedown and put Williams on his back in the process. Tyson would secure the pin and advance to the semifinals now needing just 1 win to qualify. Right away Carter Horner was up for his 3-6 seed quarters match with Borer of Valentine, another almost must win bout. Horner was able to

secure and finish his takedown attempt then transitioned to pinning his opponent to advance to the semis and would also only need 1 more win to qualify tomorrow. At 126 Phillip Titkemeier would lose his opening match but a win later in the day kept him alive for competition on Saturday. At 132 Elkin Reyes would fall in both of his matches ending his season on Friday. Clay Bohr faced a tough 145 bracket with 8 seeded wrestlers. Bohr would get an opening round win and then had a 3-6 matchup with Taubenheim of Amherst. Bohr had defeated Taubenheim last week at TVC/FKC in the finals but it was an exciting match. This time Taubenheim jumped to an early 5-0 lead after the first period. Bohr came back to close the gap with a takedown and nearfall of his own to make it 5-4 but within that scramble Taubenheim was able to get a reversal and cradle that led to him getting the pin. Tryston Edwards would suffer a first round loss but a gritty 7-6 win kept him alive for Saturday. At 160 Cauby Meyer faced a bracket of 11 seeded wrestlers. A first round loss would make it an uphill battle but a bye on the consolation side had him alive for Saturday as well. Kash Schoff also fell in the first round and a bye kept him in for Saturday. Clay Meyer got a big 3-6 seed win on Friday afternoon as he led 1-0 late in his match, eventually securing a pin to place himself in the semis and 1 win away from that qualifying spot. At 285 Caden Swanson was also in the 3-6 matchup but as the 6th seed. Swanson would end up falling in this match but could battle back on the consolation side tomorrow.

Saturday wrestling would open with the 2nd round consolation matches. Dylan Wendell was up right away for the Wolfkings at 106. Dylan's season

Grapple Up....Continued

ended upon losing by pin. Phillip Titkemeier (126) was next and an 8-4 win kept his season alive. Clay Bohr then advanced with a pin. Tryston Edwards would have to face the 2 seed that got upset yesterday who would pin Edwards to end his chances. Cauly Meyer was up right away and also had his season ended after being pinned. Kash Schoff suffered the same with a season ending pin at 195. It was a rough opening round of consolations as the team entered the semifinals and 3rd round consolations with 6 wrestlers still alive.

Up first in the semis was Tyson Freeman but Chauncy Watson of Broken Bow with a 45-2 record secured a first period pin to send Freeman to the heartbreak round of the consolation bracket. Carter Horner would face brother Cash Watson of Broken Bow who was 43-5. It was the same result for Horner as he was pinned, moving him to the heartbreak round as well. Phillip Titkemeier was next in his consolation match. It was a close 2-3 match when Phillip ended up getting turned and pinned to end his season. Clay Bohr was next with his must win consolation bout. It was a tight 2-2 match before Clay got a reversal and near fall in the 2nd period and then secured the pin to advance to the heartbreak round and the chance at qualifying. Clay Meyer had #2 rated Peterson of Chase County in the semifinals. Peterson was able to fight of some valiant scoring chances by Meyer to take an 8-1 victory that felt closer than the scoreboard showed. Meyer would now have a tough heartbreak round matchup to qualify. Caden Swanson finished the round in exciting fashion for the Wolfkings. Swanson was able to get an escape and takedown in the final 30 seconds for a come from behind 9-8 decision to reach the heartbreak round.

Emotions were high as the team had 5 wrestlers in the heartbreak round. Win and you

reach that dream of qualifying for the State Tournament. Lose and the season is over, for seniors- their wrestling career ends. Lots of emotion in just a few hours of time would ensue. Tyson Freeman was up first and would face Roland of Amherst whom we had beaten earlier in the season at SEM. Tyson came out shooting and secured a takedown early but wasn't able to get the turn despite keeping the pressure on. In the second another takedown stretched the lead to 4-0. Freeman then worked a turn and secured the fall to qualify for the State Tournament and get the Wolfking crowd on their feet! It wasn't but just a few minutes of celebrating the moment and it was on to preparing Carter Horner to go out and do the same. Horner gave up an early takedown to trail 0-2 but that would be the only scoring for Shields of Amherst. Horner was able to get a reversal with seconds left in the first to tie it up. In the second Horner wasn't able to get the reversal but did score a locked hands penalty point to lead 3-2. Shields chose top in the 3rd but Horner didn't get rattled as he scored a reversal and near fall to finish the match 8-2. Horner was also going to the State Tournament and the Wolfkings were fired up! We then had to wait awhile for Clay Bohr to come up at 145 lbs. Bohr would face Ryneearson of Broken Bow who had come back to tie the match late and then get the takedown in overtime to beat Bohr 8-6 at Ord. It was a 0-0 first period. Ryneearson would get the first points as he went up 3-0 in the second after a penalty point and reversal. Ryneearson seemed to gain momentum and Bohr wasn't able to come back, eventually ending his season with a tough 2-10 loss. The Wolfkings now had the other end of the emotional spectrum the heartbreak round can bring. Another long wait for 220 and Clay Meyer headed onto the mat. Meyer would face fellow

Grapple Up....Continued

senior Boettcher of Ord with a 34-9 record, whom had qualified for State last season. Meyer weathered the storm early but a stalling call on a mat return attempt in the second led to a point for Boettcher and then an escape left us trailing 0-2. Meyer felt the need to push for scoring chances and that ended up allowing Boettcher to secure a takedown directly to a pin, the only time Meyer was pinned all season. Heartache hit hard as Meyer's career for the Wolfkings ended. He was 5th in a very difficult bracket in which only 4 could advance. Caden Swanson would take the mat at 285 against French of Morrill. French scored the first takedown and was able to use his weight and athleticism to keep Swanson on the mat and secure the pin, Swanson's freshman season had ended as well.

It was a back and forth struggle of emotion that seemed to persist for the next several hours as the team sat on the bus for the long ride home. There had been tears of joy and moments where heartbeats raced from excitement. Sadness had also taken its hold as it felt like it was squeezing your stomach and heart from inside for those that had come so close but landed just short. The pain of seeing brothers and teammates hurt for each other as they know the work that was put in. Despite all of this an overall sense of pride kept pushing through, memories of great moments from the season were remembered and the sense that several young Wolfkings showed a lot of positives throughout the season. There was excitement for Carter and Tyson as they looked to make noise in Omaha and battle for the chance at a State Medal!!!
